50.0	60.0	45799	ELF - 60	2.5	17.0
60.0	70.0	45800	ELF - 70	2.5	18.1

Air Tool Balancers

Air Tool balancers perform the function of both hose reel and balancer.

» Standard features include:

- Strong lightweight aluminium body.
- Heavy duty top and bottom hook.
- Easy maintenance with interchangeable kit parts.
- Tapered drum for exact torque retraction across the full stroke.
- **Suitable industries:** Engineering, manufacturing and abattoirs
- **Applications:** Suspension of air tools

Capacity Min (Kg)	Capacity Max (Kg)	Part No.	Model	Hose Travel (m)	Weight (kg)
0.5	1.5	43351	ATB - 0	1.3	1.6
1.5	3.0	43352	ATB - 1	1.3	1.7
